# COMPANY PROFILE

M. Bhattacharyya & Co (P) Ltd. is a pioneer in Indian homoeopathy. It was founded in 1889 by Mahesh Chandra Bhattacharyya, a dedicated philanthropist and a nationalist from Bangladesh, erstwhile Bengal who wanted to provide homoeopathic medicines at an affordable price to the common man while maintaining international quality standards. Since then, the name M. Bhattacharyya & Co (P) Ltd has been synonymous with quality and trust.

## KING & CO HOMOEOPATHIC CHEMIST (P) LTD.

In 1894 a second strong homoeopathic company emerged in West Bengal called King & Co. Homoeo Chemist (P) Ltd. Within a few years, the company brand Kingko's became the market leader in dilutions and special formulations. In 2011 M B, took over King & Co and successfully brought together their individual knowledge, experience, and expertise under one roof.

## QUALITY ASSURANCE

The company's exhaustive range of medicines go through stringent quality check, right from the procurement of herbs and raw materials, till to the finished goods under the guidance of a dedicated team of doctors, chemists, and botanists.

OVER  
**125**  
YEARS OF QUALITY  
TRUSTED SINCE 1889

## ENA (EXTRA NEUTRAL ALCOHOL)

The company uses ENA (60 OP) for Potentisation which is free from aldehydes, Ketones & fuesil oil which meets the HPI Standards. Mother Tinctures are prepared with ENA as per HPI norms and stored in S.S. 304 containers.

PREPARED  
WITH ENA

## KEEPING THE ETHOS ALIVE

From 1889 till date, the company stands proud and firm on its two foundation pillars of unparalleled quality and affordability. Relentlessly and tirelessly, it continues to provide complete therapeutic solutions to its valued customers.

**emami\***  
Group Venture

Now M Bhattacharyya & Co Pvt Ltd is a part of one of India's largest conglomerates: Emami group of companies, which has further strengthened its distribution network and ensured a pan India presence
